TAKE pleasure in announcing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old establish-ed Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the Inte improvements in the art. I have painted, removated and enlarged the suite of Rooms throughout, That my facilities are now better to profuce first-chase work them most Galleries run beast of and con-That my facilities are now better to produce firstclass work than most Galleries can beast o', and can
duce to the comfort of our pairons. I trust not only
to sustain the proud position the Gallery has berete
fore sustained, but to elevate it to a still higher stand,
and. I have also engaged the services of Mr. COOK,
one of the best Photographers in the world, who took
the Pictures which obtained the first premium at the
World's Fair in London, in 1851, and I am determined
not only to make this the leading Gallery in the State,
but my work shall not be surpassed North or South,
and now introduce to the public the following new
styles:

styles: Imperial Phothgraph, India Ink, Vigenette, plain or colored, Ivorytypes, Pastel Portal Pictures, life size, Pastel Portal Pictures, life size,
Photographs on Canvass, life size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Storcoscopes, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in warded anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.

Respectfully,
St. G. D. U. & A.

MANHOOD, HOW LOST, HOW RESTORED Just Published, in a Scaled Envelope, A LECTURE ON THE NATURE, TREATMENT AND RABICAL CURE OF SPERMATORRHOEA, or Semina Weakness, Sexual Debility, Norvousness and Invelopment of Professions producing Impotency, Consumption and Mental and Physical Debility.

By BoB. J. CULVERWELL, M. D.,

The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated bougles, and other empirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated auther fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to theurands and thousands.
